

# LAIC

Lavoro, Integrazione e Cittadinanza

## THE PROJECT

LAIC is a project by **Cesvip Lombardia** in collaboration with **Fondazione Somaschi Onlus**, **Legacoop Lombardia** and **CGIL**, selected and supported by **Fondo per la Repubblica Digitale - Impresa Sociale**.

The project is aimed at improving - through the use and knowledge of **digital technologies** - the possibilities of **access to work** and the exercise of **citizenship rights and duties** of immigrant people.

## WHAT DO WE DO

### FREE TRAINING ACTIVITIES

Users will be able to participate in various **training courses** such as:

- course for backend operator and digital facilitator
- course for the development of basic digital skills
- course for the development of digital skills with insights into different areas: logistics and warehouse, catering, large-scale retail trade, hospitality services
- course of Italian language for foreigners

The project also includes **individual support actions** and **group activities** aimed at **job placement** through an employment contract or internship.

Accompanying activities include:

- **CV** writing and editing
- **interview** preparation
- **scouting** of job opportunities in the area

## REQUIREMENTS

- **unemployed immigrants** aged between **34 and 50**
- **residence permit** or **formal requests** for a residence permit

### SUPPORT AND INCLUSION SERVICES TO FOSTER ACTIVE PARTICIPATION

Members are entitled to take advantage of **free transport** and **meals**, as well as **babysitting** or **elderly care vouchers** to encourage access and inclusion
